6. Brede Exposition Services shall exercise ordinary diligence and care in the receiving, handling and storage of all shipments. Brede Exposition Services shall not be liable for loss or damage by fire, acts of God, or causes beyond its control. Brede Exposition Service's liability shall be limited to the physical loss or damage to the specific article which is lost or damaged. 13. Freight handling charges are the responsibility of the exhibitor to whom shipments have been consigned. Also, charges for loading out freight shipments are the responsibility of the exhibitor from whose booth shipments are made. Exhibitors may not assign this responsibility to suppliers or customers.

The exhibitor agrees, in the event of a dispute with Brede Exposition Services relative to any loss or damage to any of their materials or equipment, that they will not withhold payment of any amount due to Brede Exposition Services for Drayage or any other services provided by Brede Exposition Services as an offset against the amount of the alleged loss or damage. 14. Service charge of 1-1/2% per month on any unpaid balance will be made starting 30 days after date of invoice.
15. Where an exhibitor indicates choice of carrier for pickup it is the exhibitor's responsibility to arrange with such carrier for said pickup service. If the carrier does not pick up within the time limited for the removal of exhibitor's materials at the Exhibit Hall, we reserve the right to forward such material by the shipping method of our choice or to remove said material to our warehouse for disposition, at an additional charge to the exhibitor in accordance with prevailing rates for the service performed.
16. Material left behind without orders placed at the Drayage Service Desk may be classified as abandoned. The Drayage Contractor shall not be responsible for same. We are not responsible for any delay of rush shipments. We will expedite such rush shipments to the best of our ability, but will not assume any financial responsibility for shipments which do not arrive at their destination at a dated time.
17. **EXHIBITORS ARE URGED TO CARRY ALL-RISK INSURANCE** covering your materials against damage, loss and all other hazards from the time shipments are made prior to the show until shipments are received back after the show. This can generally be done by adding "riders" to existing insurance policies, often at no additional cost. It is understood that Brede Exposition Services is not an insurer, that insurance, if any, shall be obtained by the exhibitor and the amounts payable to Brede Exposition Services hereunder are based on the value of the material handling services and the scope of Brede Exposition Services liability as set forth above.

Information Form

By completing and submitting the Material Handling order form, exhibitor acknowledges reading and accepting the terms and conditions included on the Material Handling Information forms, as well as the Limits of Liability form. Please review these money-saving tips to make the most efficient use of your material handling budget. Please make your show site representative aware of the following information.

Money-Saving Tips

In General

- Ship via common carrier to avoid possible special handling surcharges.
- Ship early to avoid overnight charges whenever possible.
- Furnish accurate weight tickets with your shipment.
- Properly label/address all shipments to avoid time-consuming re-routes, mis-deliveries, and delays. Remove old shipping labels before you send materials, and attach new labels with complete information. Shipping labels are provided in this service manual for your convenience.
- When shipping direct to show site, confirm in advance that your carrier can guarantee delivery of your freight to the exhibit facility during move-in dates. When possible, schedule shipments to arrive during straight time rather than overtime periods.
- Label your freight with the number of total pieces – example 1 of 3, 2 of 3 and 3 of 3.
- Take a copy of tracking numbers to the show, as well as origination and destination points, piece counts, arrival dates and phone numbers for tracking purposes.

Consolidate Your Shipment

- Separate shipments received by Brede will not be combined. The minimum 200 lb. charge applies to each shipment Brede receives.
- Consolidate your shipment whenever possible to avoid multiple minimum charges.

For example:

- o 1 piece weighing 36 lbs. charged @ 200 lb. minimum x \$92.00 per CWT = \$184.00
- o 1 piece weighing 62 lbs. charged @ 200 lb. minimum x \$92.00 per CWT = \$184.00
- o 1 piece weighing 54 lbs. charged @ 200 lb. minimum x \$92.00 per CWT = \$184.00

TOTAL cost of three shipments arriving *separately*: \$552.00

OR

- o 3 pieces totaling 152 lbs @ 200 lb minimum x \$92.00 per CWT = \$184.00

TOTAL cost of one *consolidated* shipment: \$184.00 *Savings of \$368.00*

- Shipments arriving at the same time from different destinations are considered separate shipments.
- Please be aware that small package handlers may split shipments resulting in Brede receiving multiple shipments.

Colorado Convention Center

Denver, Colorado

January 6-9, 2016

Information Form

We have provided these definitions to acquaint you with specific guidelines for labor. Trade shows, conventions and special events in this vicinity are governed by local union contracts. Please review the following information in order to better understand the applicable union jurisdictions. If you have any questions once you have read this, please address them directly to Brede Exposition Services.

Material Handling

All material handling, other than exhibitor owned vehicles as described below, will be handled by the Official Service Contractor, including unloading or loading of any and all contracted carriers. Please refer to the material handling section of your exhibitor service kit for rates and liability information. This is a chargeable service.

Exhibitors and show organizers may handle their own material if it can be carried in within the allowed 15 minute dock pass. Exhibitors may not borrow or rent their own hand trucks, dollies, flat trucks, pallet jacks or other material handling equipment. Any item that cannot be carried by one person must be handled by the Official Service Contractor. To ensure orderly and safe move-in and move-out, all docks and vehicle traffic are under exclusive control of the Official Service Contractor. As conditions and time permit, space may be made available to exhibitor owned vehicles to load and unload. One person must remain with the vehicle at all times. Due to time constraints, vehicles must be loaded or unloaded within the 15 minutes. A time dock pass will be issued. Unattended vehicles will be towed at the owner's expense. The above will be strictly enforced.

Booth Labor

Currently we have an agreement with the International Alliance of Theatrical and Stage Employees (IATSE) Local Union to provide labor for display installation and dismantling. Full-time employees of the exhibiting companies, however, may set their own exhibits without assistance from this local union. Any installation & dismantle labor services that may be required beyond what your regular full-time employees can provide must be rendered by the Union. Installation & dismantle labor can be ordered in advance by returning the *Labor Order* form, or at show site at the service desk. Proof of full-time employment status may be requested by the Union Steward of any personnel working in your booth.

Safety

Standing on chairs, tables or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. Brede cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in the assembly/dismantle of your booth, please order labor on the enclosed *Labor Order* form and the necessary ladders and tools will be provided.

Gratuities

Brede Exposition Services requests that exhibitors do not tip our employees. Do not give coffee breaks other than mid-morning and mid-afternoon when union employees have a fifteen minute paid break. Any attempts to solicit a gratuity by an employee for any service should be reported immediately to a Brede supervisor. Employees of Brede are paid at an excellent wage scale denoting a professional status, and we feel that tipping is not necessary. This applies to all Brede employees.

In General

Craftsmen at all levels are instructed to refrain from expressing any grievances or directly challenging the practices of any exhibitor. All questions originated by labor are to be expressed directly to Brede management personnel. It is recommended that any questions arising with regard to union jurisdiction or practices should be directed to a management representative of Brede.

first show move-in date at:**

www.denverconvention.com/exhibit-at-an-event

In this kit, you will find orders for:

Electrical services, Telephone services, Air/Water/Drain and Natural Gas services, Internet services, Audio Visual services, Business Center services and Catering services.

To help you with a successful show, we offer you these tips and checklist:

1. The Colorado Convention Center (CCC) is responsible for all utility services, including power, telephone, air, water and drain.
2. ALL exhibitor utility orders should be ordered on-line, faxed, emailed or mailed directly to the CCC. **All payments should be submitted directly to the CCC for utility orders — NOT TO SHOW MANAGEMENT OR THE GENERAL SERVICE CONTRACTOR.**
3. Orders for Internet, Audio Visual Services, Business Center Services and Catering should be sent to their respective companies.
4. For your security, we do not accept orders over the phone. All forms must be mailed, faxed, emailed or ordered on-line at: www.denverconvention.com.
5. Read all the Forms and Guidelines carefully. You may find something specific to your booth that will reduce on-site complications.
6. Save money by ordering prior to your arrival. The onsite surcharge of 30% will be applied to all orders placed onsite, during the first move-in date of the event.
7. The CCC reserves the right to update or amend these forms as needed. If you have questions, please call before ordering.

To save time and even more money, order on-line at www.denverconvention.com. These rates are available only on the web and will save you 20% off the listed rates in this kit.

Checklist Requirements/Reminders:

- Individual orders are required for each booth you will occupy.
- If you have any questions, call us direct at 303.228.8027 before you order.
- All 10X10 and in-line booth services will be installed in the center back of the space.

Please submit a properly oriented booth floor plan for booth exhibits in which services **are not to be** installed in the center back of the space. Please include adjacent booth numbers surrounding the booth, to ensure proper installation and also to prevent postponement.

NOTE: If a booth floor plan is not provided, services will be placed in the most convenient location. The Network Security Policy implemented for this Facility requires Customer(s) adherence to several necessary precautions in order for Smart City to maintain a healthy, viable network for all Customers. This declaration of compliance with the security requirements as noted herein is an acknowledgement of Smart City's filtering policies and must be completed, signed by an authorized Customer representative and mailed or faxed to Smart City prior to the requested network service(s) being activated for Customer's usage.

Network Security Policy:

Smart City requires that all devices directly or indirectly accessing Smart City's network(s) have the latest virus scan software, Windows® security updates, system patches, and any other technological precautions necessary to protect the Customer(s) and others from viruses, malicious programs, and other disruptive applications. Any device(s) which adversely impacts Smart City's network(s) may cause service interruptions to Customer(s) which can lead to disconnection of the Customer's equipment from the network(s), with or without prior notice at Smart City's sole discretion. The device(s) in question will remain disconnected until all issues are adequately resolved. All charges will apply and no refunds will be given. Smart City has implemented filtering policies on all Internet routers. These filters block all inbound Internet Control Message Protocol (ICMP) -- Ping, Traceroute, etc. -- destined to any Smart City Network(s). Smart City understands that Ping and Traceroute are valuable troubleshooting tools; therefore Smart City's Policy does allow ICMP (Ping & Traceroute) packets sourced from any Smart City network(s).

Further, to avoid infection by common Internet worms (Nachi, MSBlaster, LoveSAN, etc.), Smart City has implemented similar filters on the following TCP and UDP port numbers: UDP – 137, 138, 402, 1434 and TCP – 135, 139, 402, 445, 4444.

Customers requiring inbound or outbound access to any of the filtered ports, should contact a Smart City customer service representative in advance of the event with details of the specific requirements so that Smart City may consider the potential of a customized alternative.

Each Customer's business is important to Smart City and with advanced and timely notification of a Customer's needs we are confident that we can provide network services that perform as expected for all clients.
