BEST OF THE BEST

Christmas Mountain Village Campground - Wisconsin Dells, WI

2023 Top Rated Resorts and Good Neighbor Parks

Coast to Coast is the only membership camping network that annually inspects and rates all network resorts and Good Neighbor Parks. To do this we utilize the campground inspectors from the Good Sam RV Travel Guide, who inspect and rate over 12,000 RV parks and campgrounds across the United States and Canada each year. The Good Sam 10/10/10 rating system is the "gold standard" in the campground industry, and the Good Sam inspection teams are the recognized experts at inspecting and rating RV parks and campgrounds. For more information on the Good Sam campground rating system, see page 45 of this directory.

The overall quality of the Coast network continues to improve, as this year it required a rating of 29 out of 30 to be a top-10 rated resort. And for the Good Neighbor Park network, there were 24 RV parks tied with a perfect 10/10*/10 rating! Coast to Coast is extremely proud of the quality of our resort and Good Neighbor Park networks. We hope you have a chance to camp at some of these top-rated parks and resorts this year!

A GREAT RESORT IS BECOMING GREATER

Kalamazoo Resort is currently undergoing a multi-million-dollar upgrade and expansion project. This project consists of upgrading the existing 170 campsites to 50 amp, adding an additional 72 full hook-up, 50 amp campsites, adding new park models, updating picnic tables and fire rings, installing a playground, and more.

During the upgrade, you'll still have access to everything the Kalamazoo Resort in Kalamazoo, Michigan, has offered since 2016.

There are two docks to make it easier to launch your own flotation device or to cast your bait and hopefully catch the big one. Lounge on the sandy shore or organize a beach volleyball game.

Of course, if you prefer big water, go offsite approximately 10 minutes to Lake Michigan, the third largest of the Great Lakes and the only one located entirely within the United States. The soft, white sand is known as singing sands because of the squeaking noise it makes when walked on.

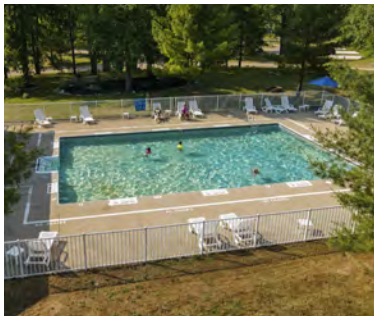

Once at your tree-covered spacious site you'll feel secure with the 24-hour security. Set up at your site and either put up your lawn chairs or go exploring. You could start your exploration at the All Seasons Lodge. Gather with friends and family around the flat-screen TV, sit in front of a roaring fire, or enjoy a pickup basketball game. Play volleyball or horseshoes

And there's more. The activities department will keep you busy with a variety of interesting activities, including live entertainment. Pick up firewood and eat s'mores to your heart's content at your RV site. There's also putt-putt golf, a playground, and an outdoor pool. WATERSPORTS REIGN SUPREME

If you love water and a great climate, then head your rig to Old American Kampground in Newport, Washington. The nearby Pend Oreille River is one of the few U.S. rivers that flows north, complete with a marina and opportunities for all types of boating and river swimming. The area around the river is home to abundant wildlife and offers natural, historical, cultural, and scenic points of interest.

In addition to plenty of water sports, there are dry-land activities including picnic areas, horseshoes, and a fun clubhouse. Enjoy eating out at Owen's grocery and deli and pick up any food items you may have forgotten. In the winter, try snow skiing and snowmobiling. Year-round there are opportunities for hiking, biking, and water skiing.

Walk into Newport for shopping and dining or join in for an outing on the party boat. With four seasons and plenty of sun, Old American is your destination for everything from soaking up rays to water skiing to winter sports.

If you still need to get your water fix, explore nearby Lake Pend Oreille with a surface area of 148 square miles, which adds more opportunities for water sports. Since the resort is available year-round, snow skiing, sledding, and snowboarding is not so far away at Mount Spokane and Silver Mountain in Idaho. The campground is actually located on the border between Washington and Idaho. So, finding recreation areas in either state is an option.

To see more of the locale, take a ride on the North Pend Oreille Valley Lions Club Excursion Train Ride. From the river flats, the train moves into a forested area on the edge of the Colville National Forest. Riders will be able to experience what it was like 100 years ago rolling through a remote forest when the railroad carried logs to the mills and people from Metaline Falls.

TRES RIOS RV RESORT

coast to coast premier

LOCATION: Glen Rose, Texas
SEASON: Year-round
WEBSITE: oceancanyon.com

THE NAME SAYS IT ALL

Tres Rios is named for the three Texas rivers that converge on the resort's southern point — the Brazos River, Paluxy River, and Squaw Creek. When choosing a destination, RVers look for a variety of options. If the RVer is an angler, a canoer, a boater, or just enjoys water activities, then nearby water is a must. Weather is always a consideration. If the RVer is active, then the number of nearby activities is important. Tres Rios RV Resort meets and exceeds all of those wants.

The Paluxy is known for numerous dinosaur footprints found in its bed near Glen Rose. Searching for fossils is an interesting hobby that you can certainly enjoy here. The Brazos is popular for tubing, kayaking, and canoeing. Not only are the waters great for fishing - the Brazos River is home to 44 fish species - the area is a magnet for a large number of bird species including blue herons and bald eagles. Warblers, cranes, plovers, peregrine falcons, woodpeckers, and sandpipers are present throughout the year. Join other RVers bird watching.

The resort is known for its special events and local area events such as the annual music festival, Blue Bonnet Festival, and regularly scheduled arts, crafts, and antique shows. The resort has 50 years of history as a YMCA summer camp.

Amenities are numerous including free Wi-Fi, an outdoor swimming pool, and walking trails. If you're worried about the kids getting bored, worry no more. Sign them up for the Kids Club. Meet new friends playing basketball, horseshoes, volleyball, bingo, and many other planned activities.

In addition to full hook-up RV sites, there are also large pull-through sites. Take advantage of the RV storage so you can plan to visit again. Traveling without a rig? Rent one of the riverside cabins.

RATINGS

Coast to Coast utilizes the same Good Sam rating system featured in the *Good Sam Campground and Coupon Guide*. Based on a scale from one to 10, with 10 being the highest, Good Sam's three-part ratings give an overview of the amenities, cleanliness and environment that each facility has to offer.

THE FIRST rating judges facilities and amenities, such as interior roads, registration area, RV sites and hook-ups, security, recreational equipment, swimming, laundry facilities and building maintenance.

THE SECOND rating gauges cleanliness and completeness of bathrooms. Inspectors rate the tidiness of toilets, walls, showers, sinks, counters, mirrors and floor. Full points in each area earns a ★ following the second number.

THE THIRD rating deals with visual appearance and environmental quality, measuring the aesthetics of the entrance, landscaping and grounds and how harmoniously the facilities blend with the natural surroundings.

Good Sam ratings have a maximum score of 10/10★/10 and are determined by highly trained inspectors who annually visit and rate thousands of North American RV parks and campgrounds.

To recommend a new park or resort, Coast members must have recently stayed at the facility and must provide the following:

- Name, address, phone number, and contact at facility
- Indicate whether facility is a membership resort (potential resort) or an open-to-the-public park (potential Good Neighbor Park)
- Member's name and Coast member number
- Date that member visited the park or resort

Trip Points that you purchase do not have an expiration date and may be used by you as long as you have a currently active Coast membership. In the event your membership becomes inactive or delinquent or you terminate your membership, your Trip Points will no longer be available for redemption; however, if you subsequently reactivate or renew your membership, your Trip Points balance will become available for use. Trip Points you receive free of charge as the result of a promotional offer and other points that you may receive that were not purchased will have an expiration date. GIFTING TRIP POINTS

You can gift Trip Points only if you are an active Coast member and your Trip Points must be gifted to someone with a currently active Coast membership. When you gift your Trip Points to another Coast to Coast member, there is a $10 administrative fee. To gift Trip Points, call Coast Member Services at 800-368-5721.

MEMBER SERVICES

When you don't have internet access, you'll be glad to know that Coast to Coast Member Services is available weekdays between 8:00 a.m. and 9:00 p.m. and Saturdays between 10:00 a.m. and 6:30 p.m. Eastern Time for you to make resort reservations. Call 800-368-5721.

Resort reservations made within 72 hours of your arrival date must be made directly with the resort. Check the resort listing before calling: resorts that include the notation "drive-ups not accepted" will not accept reservations within 72 hours (three days). Good Sam Park or Good Neighbor Park reservations cannot be made thru Tripsetter and must be made directly with the Good Sam Park or Good Neighbor Park.

RESERVATION CANCELLATION POLICY

Be sure to cancel your reservation if you're unable to stay at a booked resort. If you don't change or cancel your reservation by 6:00 p.m. (resort time) the day prior to your arrival date, your account will be charged the amount of Trip Points equal to the resort's minimum-stay requirement. We enforce this rule because the resort may have turned away another guest to hold the space for you. Please be considerate—and save your Trip Points, too.

HOME RESORT RESERVATION

Reservations for your home resort must be booked through your home resort and are subject to your home resort's terms and conditions. If your home resort is part of a multi-resort system, all other resorts within that multi-resort system must be booked as specified by your home resort. You cannot make reservations for your home resort or other resorts within the same multi-resort system as your home resort using your Coast to Coast membership benefits, such as with the Tripsetter reservation system or through Coast Member Services.

HOSPITALITY CODE OF ETHICS

The mutual exchange of hospitality is fundamental to the Coast to Coast network. As a member, you're both a guest and a host. You're a host when other members visit your home resort; you're a guest when you're the one traveling away from your home resort. Either way, the Golden Rule of treating others as you wish to be treated definitely applies. All members are encouraged to follow the Coast to Coast Hospitality Code of Ethics:

WHEN YOU'RE A GUEST...

- Introduce yourself, listen to others and join in the fun.
- Follow the rules of the resort you're visiting, even if they differ from those of your home resort.
- Respect your host resort and treat all property as though it were your own.
- Unless it's an emergency, refrain from making unusual or excessive requests.
- Don't be afraid to explore! Ask questions about the surrounding area.
- Always leave your RV site or rental accommodations better than you found them.

WHEN YOU'RE A HOST...

DIRECTORY NOTES

The 2023 Resort Directory is structured to present the information members need in the most user-friendly, understandable way. As always, we'd love to hear from you at 800-368-5721, CCRPresident@CoastResorts.com, or Coast to Coast, P.O. Box 7028, Englewood, Colorado 80155-7028.

Directory information, including pricing and availability, is provided by resort management, is assumed to be correct and is subject to change. Coast to Coast shall not be liable for misrepresentation or any problems arising from accommodations at any network resort or Good Neighbor Park or any other matters that affect or inconvenience the user's vacation. Directory listings are continuously updated on CoastResorts.com.

Coast to Coast, P.O. Box 7028, Englewood, Colorado 80155-7028, is under agreement with the resorts within the Coast to Coast program to offer accommodations at member rates. Coast to Coast does not own or operate any participating network resorts or Good Neighbor Parks. Coast to Coast is not the provider of accommodations and is not responsible for the physical condition or any aspect of network resorts or Good Neighbor Parks at the time a membership is purchased or afterward.

Coast to Coast is not responsible for personal or property damage resulting from the acts, omissions or negligence of participating resorts, Good Neighbor Parks or their employees or agents. Coast to Coast's maximum liability to members in all respects is limited to the amount of annual membership fees for any calendar year.

Any dispute you may have with Coast to Coast will be finally decided by arbitration in accordance with the Rules of the American Arbitration Association's (AAA) U.S. Commercial Dispute Resolution Procedures and Supplementary Procedures for Consumer-Related Disputes by one arbitrator appointed in accordance with such rules. These rules and procedures are available by calling the AAA at 800-778-7879 or by visiting its website, adr.org. All deposits and fees required by the AAA to commence the arbitration shall be advanced by Coast to Coast. If at any time and/or for any reason you are dissatisfied with Coast to Coast's programs, you may immediately cancel your Coast to Coast membership.

MULTI-RESORT SYSTEMS

When an individual, company or corporation owns and operates two or more network resorts, we refer to that as a multi-resort system. Visits by Coast to Coast members to properties within these resort groups listed below have special restrictions. The restriction is that members cannot book back-to-back reservations at network resorts within a multi-resort system. After each stay in a multi-resort system, a member must be out of that multi-resort system for 7 days before starting another reservation/stay at a resort within that same multi-resort system. You cannot make reservations for your home resort or other resorts within the same multi-resort system as your home resort using your Coast to Coast membership benefits, such as with the Tripsetter reservation system or through Coast Member Services.

COAST TO COAST POLICIES

Reciprocity is at the heart of the Coast to Coast network. It's one of our foundational concepts that turns a membership in your home resort into privileges at scores of others. All network resorts are expected to treat traveling members the way they'd like their members to be treated when they travel. Therefore, restrictions adopted by your home resort, in addition to those identified in this directory, may be applied to you when you visit other resorts in the network.

SYSTEM USE

To use Coast to Coast's Tripsetter reservation system to book stays at network resorts, you must be an active member with both your home resort and Coast to Coast.

ANNUAL DUES

Annual Coast to Coast membership dues are paid directly to Coast to Coast prior to your enrollment anniversary. These are separate from the annual maintenance fees billed by your home resort.

RESORT ACCESS

- Access to network resorts and Good Neighbor Parks is on a space-available basis relative to the number of sites each resort designates for Coast to Coast membership use.
- Not all sites in every resort are devoted to the Coast to Coast network. Resorts can't guarantee availability.
- Coast to Coast cannot guarantee the availability of full hook-ups for reservations at resorts.

HIGH-DEMAND AREAS

At certain times, space may be difficult to secure in high-demand regions such as coastal areas in the summer and Sunbelt areas in the winter. It is highly recommended that you make reservations as early as possible when you'd like to visit these areas during peak season.

SITE OCCUPANCY

- Each RV site is limited to four persons, unless otherwise specified. This may include the member, family members and guest(s). Guests must travel with you in the same RV.
- Each rental unit is limited to the number of persons specified in the resort's directory listing, on the website or by the resort.

HOME RESORT TRANSFER

Home resort membership or ownership transfers must be discussed directly with the member's home resort prior to contacting Coast to Coast.

HOME RESORT RESERVATIONS

Reservations for your home resort must be booked through your home resort and are subject to your home resort's terms and conditions. If your home resort is part of a multi-resort system, all other resorts within that multi-resort system must be booked as specified by your home resort. You cannot make reservations for your home resort or other resorts within the same multi-resort system as your home resort using your Coast to Coast membership benefits, such as with the Tripsetter reservation system or through Coast Member Services.

DAY-USE CAMPING

If you plan to visit a resort for day use only, call in advance. Resorts may not have space available. Day-use fees are charged at the resort's discretion.

DRIVE-UPS

Arriving at a network resort or Good Neighbor Park with no reservation is discouraged. It is at the discretion of each facility whether they will honor the Coast to Coast rate for any member who drives up without a valid reservation, including day-use RVers. Resorts may not have sites available. Those that do not accept drive-ups have the notation "drive-ups not accepted" in their directory listing.

LAST-MINUTE RESERVATIONS

Reservations within 72 hours of the arrival date must be made directly with the resort. This is considered a drive-up reservation, see the drive-ups paragraph above for restrictions.

LAST-MINUTE RESERVATION CHANGES

The resort's published reservation change policy will be honored by Coast to Coast.

EARLY DEPARTURES

Let the resort know if you're departing early; don't just drive off without checking out. The resort's published early-departure policy will be honored by Coast to Coast.

MULTI-RESORT SYSTEMS

When an individual, company or corporation owns and operates two or more network resorts, we refer to this as a multi-resort system. Visits by Coast to Coast members to properties within these resort groups have special restrictions. The restriction is that members cannot book back-to-back reservations at network resorts within a multi-resort system. After each stay at a resort in a multi-resort system, a member must be out of that multi-resort system for 7 days before starting another reservation/stay at a resort within that same multi-resort system. See page 50 for more details.

NO-SHOWS

If you don't show up at a resort where you have a reservation and you didn't cancel by 6:00 p.m. (resort time) the day prior to your arrival date, you will be charged the amount of Trip Points equal to the resort's minimum-stay requirement. If you do not have sufficient Trip Points to pay the No-Show charge, Coast may suspend your membership privileges until you pay the No-Show charge. Contact the resort directly when a No-Show is disputed.

LATE CANCELLATIONS

If you cancel your reservation later than 6:00 p.m. (resort time) the day before your scheduled arrival date, you will be charged the amount of Trip Points equal to the resort's minimum-stay requirement.

SPECIAL NOTES

AVAILABILITY

Coast to Coast cannot guarantee that any particular resort or GNP will always be in the Coast to Coast network. Check CoastResorts.com for the most current list of participating resorts or GNPs.

CURRENCY

All dollar amounts quoted in the Resort Directory are in U.S. currency.

EMERGENCY CLOSURES

There are times when a network resort has to close temporarily because of a natural disaster. Reasons can include tornados, flooding, fires, hurricanes, bridge or roads that have washed out, etc. When this happens, Coast to Coast will make every attempt to contact any member(s) with upcoming reservations at the impacted resort to alert them to the closure. We will also attempt to redirect members affected by emergency closures to another network resort. To facilitate this, please make sure you have a phone number on file with us that we can use to contact you while you are on the road. If you are ever in doubt as to the status of a network resort, call Coast Member Services at 800-368-5721.

FEES AND SURCHARGES

- In addition to the nightly resort camping fee, other fee(s), surcharges or taxes may apply. Check the resort listings in this directory or on our website, CoastResorts.com, for more information, or check with the resort directly.
- 50-amp service is not available at all resorts in the Coast to Coast network. However, when and where available, 50-amp service may or may not be included in the nightly rate, and a surcharge, payable in cash, may be charged by the resort.
- Resorts in the Coast to Coast network reserve the right to charge visiting Coast to Coast members for the use of optional amenities such as golf courses, boating, waterslides, horseback riding, etc.
- Resorts are permitted to offer optional services to Coast to Coast members (i.e., cable TV, Wi-Fi) for an optional surcharge. Such amenities and surcharges cannot be paid with Trip Points and are payable in cash.

HANDICAP ACCESS

Members requiring handicap access should contact resorts directly to confirm handicap access availability.

LISTING ACCURACY

The information published for each network resort and Good Neighbor Park was provided by each property and is presumed to be accurate. If you need additional information about any specific resort or park, please contact them directly.

MAIL

Unless otherwise noted in each resort's directory listing, visitor mail is not accepted.

PET POLICIES

Many resorts in the Coast to Coast network welcome your pets as guests, but they do so with restrictions that vary from resort to resort. Some resorts in the network allow pets only in designated areas, and some limit number of pets, type of pets, pet size, weight and breed. The acceptance of pets with restrictions is noted in each network resort's directory listing with a Pets/Restrictions icon. When traveling with pets, it is essential that members do the following:

- Contact the resort directly prior to making a reservation to verify that resort's particular pet restrictions
- Attend to your pet at all times
- Keep your pet on a leash
- Clean up after your pet
- Keep your pet from disturbing others or destroying property
- Bring only non-dangerous breeds of dogs
- Leave exotic animals at home
- Provide a proof-of-vaccination record, if asked to do so

Reservations may not be honored for members who do not meet the resort's particular pet restrictions.

RV LENGTH

Not all network resorts can accommodate big rigs. Please specify your vehicle's length when making a reservation. The Maximum RV Length specification in the resort listings is designed to ensure that your vehicle can be accommodated at that particular resort. Reservations may not be honored for vehicles that exceed the listed maximum length.

RESORT OWNERSHIP

Coast to Coast does not own or operate any of the resorts in our network. The RV resorts where Coast to Coast memberships are accepted are independently owned and operated resort campgrounds. Some resorts may elect to permit nonmember public stays based upon availability.

RESTRICTIONS

Network resorts may block holidays, days surrounding holidays and special events. Note the 2023 Holiday Schedule on page 47.

TAXES

Many resorts are subject to local sales tax, lodging tax or both. These taxes will be added to the charges published in the directory. Taxes cannot be paid with Trip Points and are payable in cash. Please contact the resorts directly for details.
