OUTDOOR RESORT RENTALS AT RESORTS & GOOD NEIGHBOR PARKS

If you don't own an RV, or plan to travel without your RV, Coast to Coast still has you covered with rental accommodations at 85 outdoor resorts in 25 states and 3 Canadian provinces that stretch from coast to coast. You can still enjoy all the amenities and activities of an outdoor resort while staying in a fully-furnished resort rental.

Choose from cabins, cottages, chalets, park models, lodge rooms, motel rooms, condos, RVs, and even yurts at our participating network resorts or Good Neighbor Parks. Some resorts even have larger cabins or bunkhouses that are perfect for large family gatherings. Renting through a resort or Good Neighbor Park gives you the flexibility of renting by the day or by the week. Some resorts or Good Neighbor Parks will have minimum stay requirements.

HOW TO BOOK

1. Find Resorts and Good Neighbor Parks with rentals by reviewing the Rentals listings in this Rentals Directory or in the Rentals section of the Coast Annual Resort Directory.
2. Select the Resort or Good Neighbor Park where you want to rent, and contact the resort directly at the phone number provided in this Rentals Directory or in the Rentals section of the Coast Annual Resort Directory.
3. All Good Neighbor Parks and most Resorts will require cash, check, or credit card payment for resort rentals. Some Resorts will accept Trip Points. This is indicated in this Rentals Directory or in the Rentals section of the Coast Annual Resort Directory.
4. The Resort or Good Neighbor Park you select will help match you with a rental unit to fit your needs and will confirm your reservation. A deposit will likely be required and will vary depending on resort policy.

RESORT LODGINGS

Coast to Coast gives you the flexibility of traveling without an RV and staying at resorts and Good Neighbor Parks that have a variety of rental units including cabins, condos, motel rooms and park-model trailers. Resorts and Good Neighbor Parks that offer rental accommodations are listed on the pages that follow.

RULES AND POLICIES

There are as many types of rental accommodations as there are different types of people to stay in them. When you plan your itinerary, make sure to call each resort directly for a detailed description of accommodations available for rent.

We've made every effort to provide the most complete and accurate information available about each resort in the rental program. However, we encourage you to call the resort directly for updated rental accommodation rates and requirements and to make reservations.

WHEN MAKING RESERVATIONS BE AWARE OF THE FOLLOWING:

- Some resorts may require a refundable cash security deposit and sales tax (not payable with Trip Points) upon check-in.
- Some resorts provide basic cooking utensils, tableware and linens. It's a good idea to confirm with the resort directly about what's provided so you can pack accordingly.
- If there is a specific item you must have in a rental accommodation, confirm directly with the resort whether it will be supplied.

- Some resorts may have premium rates at certain times of year or requirements for minimum stays (e.g., holidays, two-night stay during weekends, etc.). Contact the resort directly to confirm rates for a specific time period.
- Always verify the most current rental information with the resort.
- Rental inventory and rates are subject to change. Reservations subject to availability at time of booking.
- Coast to Coast cannot guarantee that any particular resort or GNP will always be in the Coast to Coast network. Check CoastResorts.com for the most current list of participating resorts or GNPs.
