If you love horses, Rocky Fork Ranch Resort combines equestrian activities with scenic horseback riding trails. The horse stables offer plenty of amenities including a rodeo arena. There are even pony rides for the little ones. There's also mini-golf, swimming, fishing, kayaking and canoeing, and an indoor gym. Take advantage of the outdoor and indoor swimming pools and hot tub. Play tennis or volleyball, go shooting on the trap range and archery range, work on your golf swing at the driving range, or try your hand at horseshoes or shuffleboard.

A five-acre recreational lake is available for just about anything. Relax alongside the shore. Cast your rod and reel and catch the big one—of course, releasing it to grow even bigger. Tour the lake while cruising on a pedal boat, kayak, or canoe.
