Millwood Landing Golf & RV Resort

Golfers and anglers find paradise at this Arkansas resort

Even if you're not traveling in the southeast corner of Arkansas, you'll want to head your rig that way for some of the best fishing and golfing in the South. Millwood Landing Golf and RV Resort, in Ashdown, features Arkansas' longest 18-hole golf course--a challenging par 72 course woven through the tall and wispy pines. There's also a pro shop, driving range, and putting green.

Bring your fishing gear because the resort has two fishing ponds. Nearby Millwood Lake is a renowned fishing lake with a wide variety of fish, including largemouth and spotted bass, crappie, white bass, striped bass, channel and flathead catfish, and bluegills. Each year the 29,000-acre lake hosts numerous bass fishing tournaments and fishing derbies held by local and out-of-state organizations. The lake and its surrounding environs are also rated one of Arkansas' best birding locations with 333 different species sighted in the area.

But if fishing and golfing are not your "thing," we're quite sure one or more of the amenities will grab your fancy. Relax in the large clubhouse or meet new or old friends at the tennis and basketball courts. In season, the swimming pool offers a chance to take a refreshing dip or just sit and soak up some rays. Horseshoes and volleyball are other ways to get some exercise. The activities staff plans many scheduled events. Your teens will enjoy relaxing in the teen center.

Take your apron off and enjoy a meal at the Green-Side Grill at Millwood Landing Resort. If you're traveling without your rig, the resort has 14 recently remodeled lakeside cabins equipped with kitchenettes.

Millwood Landing Golf and RV Resort is just 25 minutes from Texarkana, Arkansas.
