

# CASCADE MEADOWS RV RESORT

## The resort is surrounded by lakes and rivers

There are many reasons to turn your RV north to Central Oregon's Cascade Mountain Range to stay at Cascade Meadows RV Resort in La Pine, Oregon. Take in the views of Mount Bachelor and the Three Sisters Mountain Range. Enjoy the luxurious pool and spa, comfortable clubhouse, horseshoes and playground area, free Wi-Fi, showers, rest rooms, and laundry facilities. And something that's hard to experience at many resorts—fresh mountain air at 4,200 feet. The area is also well known for having sunshine 325-plus days each year.

You can plan to stay at the resort and luxuriate in the ambiance, or you can travel to one of the many nearby attractions. Bring your fishing gear to take advantage of more than 150 crystal clear fishing lakes. The Big and Little Deschutes rivers yield prize steelhead and trout. Paulina Lake and East Lake, which are only 13 miles from the resort, offer great fishing and boating. Hike or bike or go horseback riding on the many trails of the Paulina Range and Deschutes National Forest.

You can also take a drive on one of the three designated

National Scenic Byways in the Deschutes National Forest. These include Cascade Lakes Scenic Byway, McKenzie Pass-Santiam Pass Scenic Byway, and Outback Scenic Byway.

The lovely city of Bend is 22 miles north, while 50 miles to the northwest is the town

of Sisters, a must-see experience. Sisters hosts several major special events including Sisters Rodeo and Sisters outdoor Quilt Show. Sisters Folk Festival and Sisters Starry Nights Concert Series draw top-rated talent from around the country.

Chairlift rides at nearby Mount Bachelor are a summer activity the whole family can enjoy! Your ride begins at 6,300 foot elevation in the West Village base area and takes you on a relaxing ride to the Pine Marten Lodge perched at 7,775 feet. Other places to visit include High Desert Museum, Newbury National Volcanic Monument, Lava Butte, Lava River Case, and the Big Obsidian Flow.
