

# LAKE SHORE RESORT

## No matter the season, the resort is an inviting vacation destination

Open year-round, Lake Shore Resort in Davison, Michigan, entertains visitors with summer water sports and winter snowshoeing and ice skating. The spring-fed lake and private beach are very inviting. Nature trails introduce or reintroduce you to beautiful natural settings through light exercise. There are so many ways to get your water fix in—row boats, canoes, kayaks, paddle boats, swimming—but that’s not all.

Take your pick of one of three heated pools—or all three—one of which is indoors, to be enjoyed in all kinds of weather, plus hot tubs and a sauna. The whole family will enjoy the Fun Zone Water Park with a lazy river, splash pad, and wading pool. Before and after swimming, enjoy the family-oriented clubhouse and pavilion, or the lounge for grown-ups.

Other onsite activities include putt-putt golf, children’s playground, fitness rooms, horseshoes, tennis courts, basketball courts, shuffleboard, and volleyball. Organized activities include outdoor team games, card parties, holiday dinners, arcades, and karaoke nights. If you’re lucky enough to visit in winter, try ice skating on the lake.

There are chances to meet old and new friends at the picnic area with grills or while enjoying an evening around one of the community fire pits. Grab a quick bite to eat at the snack bar, and stock up at the general store.

Although there’s no reason you’d ever want to leave the resort, nearby you’ll find an old-fashioned cider mill, riding stable, and plenty of shopping and dining venues. A little further away is Flint—just 10 miles west. Michigan’s “Little Bavaria,” Frankenmuth, is only 34 miles from the resort for a delightful day trip. Frankenmuth has been known for Christmas and chicken and it’s no wonder with Bronner’s, the world’s largest Christmas store, and two of the largest independently owned restaurants in the country—the Bavarian Inn and Zehnder’s—that serve world-famous chicken dinners. Within driving distance visit Crossroads Village, take a ride on the narrow-gauge Huckleberry Railroad steam locomotive or cruise Mott Lake aboard the Genessee Belle paddle-wheeler.
