

Where else can you find desert climate, 400 miles of coastline, and a world-famous bridge? It's all in and around beautiful Lake Havasu RV Resort in Lake Havasu City, Arizona.

Lake Havasu hosts water sports such as fishing, skiing, kayaking and houseboating, enticing many visitors to the area. It's also the perfect getaway for RVers, a fact capitalized on by Colorado River Adventures, parent company of Lake Havasu RV Resort.

In addition to 300 days of sunshine a year, multiple golf courses and all the enjoyment a large lake offers, Lake Havasu RV Resort has the distinction of being close to another historic Arizona landmark: London Bridge. Purchased in 1962 and rebuilt in Lake Havasu City, the bridge attracts 2 million guests annually.

Although there are many nearby attractions, Coast to Coast members don't have to leave the park to have a wonderful time under the sun. The resort features wide, paved roads for navigating ease, and its two pools, clubhouse, recreation hall, laundry and restrooms are centrally located. A playground, pet-walking area, shuffleboard and horseshoes are also available.

Those venturing outside the gates will find a wealth of recreational activities, including shopping and fine dining in Lake Havasu City. Throughout the season, Lake Havasu hosts many festivals and special events including Skat-Trak World Championships, Relics and Rods Run to the Sun, Festival of Lights, Winterfest and London Bridge Days.

Recreation in the area includes three 18-hole golf courses, a nine-hole course, five commercial marinas, 13 RV parks and campgrounds, a public boat launch at Site Six Park and several additional public parks: Jack Hardie, Rotary, Aquatic Center and London Bridge Beach. State parks include Lake Havasu and Cattail Cove. Water lovers will be in heaven because these parks offer a combined total of 47 miles of shoreline within the city limits.

Lake Havasu RV Resort is part of the Colorado River Adventures group, which operates six Coast to Coast affiliated properties.
