VEHICLE PROTECTION

Good Sam Platinum Auto Roadside Assistance protects all your household cars, vans, SUVs, and pick-ups.

Membership vehicles are limited to eligible vehicles owned and registered by any person who is part of the Membership. Subject to the conditions set forth in this brochure, only the following owned vehicles are included and shall be eligible for the roadside assistance benefit so long as they are properly licensed and they are used exclusively for personal or recreational purposes (i.e., non-business purposes):

ELIGIBLE VEHICLE TYPES:

- Automobiles

- Vans
- Unloaded/Empty Pick-ups
- SUVs

A Member or Associate Member must be in possession of the vehicle when the disablement occurs in order to receive any benefits for the disablement event. Membership vehicles include any eligible non-RV vehicles owned by any person who is part of your Membership as provided for in this brochure.

ROADSIDE ASSISTANCE

Your Good Sam Platinum Auto Roadside Assistance Membership (hereinafter collectively the "Membership") provides all of the services described in this Member Benefit Brochure for the total cost of your enrollment. Other than what is specifically provided for in the brochure, there are no additional charges. When you enroll or upgrade into this Membership level, your benefits become active 48 hours after approval of your payment.

Membership will automatically renew unless canceled by you and you authorize us to automatically renew your Membership. If you elect to pay for your Membership with a credit card we will charge the credit card until you cancel or opt-out of autorenewal. If no credit card is provided you will be invoiced and your Membership may be renewed for an additional term, as reflected in your Membership confirmation materials, and upon approval of your Membership renewal payment. All renewals will be based upon the current rate in effect at the time of renewal.

The purpose of the Good Sam Platinum Auto program is to provide roadside assistance, in the event of a disablement of any eligible vehicle in the possession of either you or any allowable family member under this program, which is required to enable that vehicle to either proceed safely under its own power, or to be towed to the nearest independent professional service center for repair. This benefit is not intended to be used in lieu of routine maintenance or needed repairs on your vehicle. This Membership does not provide for routine transportation, towing, or relocating of vehicles, unless directly related to qualifying roadside assistance service for a disabled vehicle.

MEMBERSHIP CARD

Your Membership card may be in electronic format or you may print a copy. Please keep your Membership card on hand at all times. Your card bears the TOLL-FREE numbers to call when you need roadside assistance. The Membership and Membership card are issued in the name of the Member. A new card is issued with each renewal notice of your Membership unless not renewed by either the Motor Club or the Member.

¹ Residents of Alaska, Alabama, Utah and Virginia will be provided with motor club services from Americas Road & Travel Club, Inc. (AmRT) only. Residents of all other states will be provided with motor club services from Affinity Road & Travel Club, LLC (ART).

² This is not an insurance policy, and does not comply with any financial responsibility law. This is a Member Benefit Brochure for Good Sam Platinum Auto Roadside Assistance, a motor club program offered by Affinity Road & Travel Club, LLC and Americas Road & Travel Club, Inc., which home office for each is located at 64 Inverness Drive East, Englewood, Colorado 80112. The telephone

number for the home office for both is 1-800-523-7541. Unless otherwise specifically stated in this brochure, all roadside services and other motor club services provided under this program are provided by either Affinity Road & Travel Club, LLC or Americas Road & Travel Club, Inc. in the states noted herein. Except as provided for by law to the contrary in the state where you reside, this Member Benefit Brochure is for informational purposes only and is not intended to be any type of contract. For those members residing in Maryland, this Member Benefit Brochure is considered to be a service contract. For only those members residing in the State of Wisconsin, however, this brochure is considered to be a policy used to prescribe in writing the terms of a contract of insurance.

Spouse and Children Protection³

The Good Sam Roadside Assistance benefits described in this brochure are non-transferable and will be provided only to the Member or Associate Member. An Associate Member is the Member's family consisting of the Member's spouse or domestic partner (residing in the same household) and any dependent children no more than 25 years old living in the Member's household or attending college (requires proof of college enrollment). At our sole discretion, we may charge an additional annual fee for each Associate Member who is included in the Membership, or a single additional annual fee that includes all Associate Members in the household as a group.

Animal Transportation Assistance

This program will assist the Member and Associate Member in the arranging for transportation of dogs or cats, when possible, should the vehicle require a tow. **Note: All expenses related to the transportation of animals are the responsibility of the Member or Associate Member and will be at their expense.**

24-Hour Emergency Roadside Assistance

You can call toll-free, 24 hours a day, 365 days a year. We network with more than 30,000 independent specialized tow, repair, and service providers who have the specific heavy-duty gear and the knowledge to take care of any roadside emergency. One quick call takes care of everything – from towing to changing a flat tire to emergency fuel delivery and so much more, as provided for in this brochure.

Note that service providers and facilities referred to members by either Affinity Road & Travel Club, LLC (ART) or Americas Road & Travel Club, Inc. (AmRT) are independent businesses neither owned, controlled nor operated by ART or AmRT. The responsibility for damage, loss, or unsatisfactory workmanship lies solely with the service providers and facilities providing the service, rather than with ART or AmRT. In some instances, members may find it beneficial to utilize towing services provided by their vehicle warranty, rather than the motor club services provided in this program. You must be physically present with your vehicle to obtain any service.

Towing Service

Our 24-hour, 365 days-a-year dispatch center is available with one toll-free call. There are no pre-set mileage limits, however, refer to "Service Limitations" for important conditions, limits, and exclusions. When you call for service, Good Sam pays for the delivery of your vehicle to the nearest independent professional service center capable and willing to repair your vehicle. However, you must request disablement assistance through our telephone dispatch center within 24 hours of the disablement. If you make any request for your vehicle to be taken to a location other than the nearest independent professional service center, including your home, the mileage fee (for the distance in excess of the nearest licensed repair center) will be at your expense.

If you request to be towed to a location other than the nearest independent professional service center, as described above, you will not be entitled to any additional towing services for the same disablement. The mileage fees for any excess mileage and the fees for additional towing services will be determined and billed directly by the dispatch center or independent service provider at the time of the disablement, and all payment of that additional mileage fee or additional towing service will be paid by the Member directly to the service provider or dispatch center.

We will obtain professional tow service appropriate to your specific vehicle using commercially reasonable and efficient means; if you request enhanced tow service that incurs an additional charge, you will be responsible for the additional costs.

Subject to the provisions of this brochure, towing services and other roadside assistance services may also be provided for Membership-owned vehicles which become disabled as a result of a collision.⁴ In the event of a collision, any tow services provided herein shall be considered secondary to your insurance coverage and any service will be subject to standard limitations set forth. We reserve the right to subrogate against your primary automobile insurer to the extent we provide tow service resulting from a collision and require your full cooperation to effectuate such rights.

Note: Fees for services that you hire on your own are not reimbursable.

Flat Tire Service

A service technician will replace a flat tire with your inflated spare or we'll tow your vehicle to the nearest professional service center. **Note: This benefit does not include seasonal tire changes or air delivery. Member or Associate Member is responsible for all parts and labor.**

Battery Service

If your vehicle's battery is dead, our service technician will attempt to jump-start your vehicle. When appropriate, and if available, at the Member's discretion, if a replacement battery is required we may attempt to locate and install a new battery. **Note: The Member is responsible for the retail cost of the battery and all parts and labor charges necessary to install the new battery. If the vehicle cannot be started, towing will be provided (see "Towing Service").**

³ Any "additional annual fee" charged will be an amount no greater than the annual fee charged to the Member.

⁴ Residents of Massachusetts are not eligible for towing or car rental benefits under the terms of this

Emergency Fuel and Fluid Service

If the Member's vehicle runs out of fuel, a limited supply of unleaded or diesel fuel will be delivered to enable the Member to reach the nearest fueling station (up to 5 gallons). Other essential fluids needed to enable continued safe operation may also be made available, including anti-freeze, transmission fluid, differential and transfer case lubricant. **Note: Delivery does not include cost of fuel and fluids delivered. Member is eligible for maximum of three (3) fuel or fluid deliveries during your Membership term. Diesel priming services are not included.**

Vehicle Lock Out Service

If you have locked your keys in your vehicle, we will pay for a service provider to come to your location and gain entrance into your vehicle. **Note: Member is responsible for payment for all additional labor, as well as all parts, including the cost of replacement keys.**

Protection in the U.S., Canada, Puerto Rico, U.S. Virgin Islands and Mexico

Other exclusions include expenses resulting from calls from cellular phones, storage charges, delays or displacement, or clean-up. Unless expressly listed in this benefit brochure, expenses incurred for hotels, meals, campgrounds, car rentals, taxi fare or airfare while your vehicle is disabled or being repaired are not included.

Additionally, longer-distance tows, after hours service requests, and service requests in certain areas may be subject to longer delays. Good Sam Roadside Assistance cannot and does not guarantee any response times, and will not be liable for any occurrence that arises during any such delay.

If you choose to leave your vehicle unattended at anytime, Good Sam is not responsible for anything lost, stolen or vandalized, or any impounded vehicle situations that may arise.
