The purpose of the Good Sam Platinum Roadside Assistance is to provide roadside
assistance, in the event of a disablement of any vehicle in the possession of either
you or any allowable family member under this program, which is required
to enable that vehicle to either proceed safely under its own power, or to be towed
to the nearest independent professional service center. This service is for repair.
It is not intended to be used in lieu of routine maintenance or needed repairs on your
vehicle. This Membershp does not provide for routine transportation, towing, or
relocating of vehicles, unless directly related to qualifying roadside assistance
service for a disabled vehicle.

MEMBERSHIP CARD
Your Membership card may be in electronic format or you may print a copy.
Please keep your Membership card on hand at all times. Your card contains the TOLL-
FREE numbers to call when you need Roadside Assistance or Emergency Medical
Referral Service. The Membership and Membership card are issued in the name of
the Member. A new card is issued with each renewal notice of your Membership
unless not renewed by either the Motor Club or the Member.

SPOUSE AND CHILDREN PROTECTION
The Good Sam Roadside Assistance benefits described in this brochure are non-
transferable and will be provided only to the Member or Associate Member. An
Associate Member is the Member’s family consisting of the Member’s spouse or
domestic partner (residing in the same household) and any dependent children
no more than 25 years old living in the Member’s household or attending college
(required proof of college enrollment). At our sole discretion, we may charge
an additional annual fee for each Associate Member who is included in the
Membership, or a single additional annual fee that includes all Associate Members
in the household as a group.

ANIMAL TRANSPORTATION ASSISTANCE
This program will assist the Member and Associate Member in the arranging for
transportation of dogs or cats, when possible, should the vehicle require a tow.
Note: All expenses related to the transportation of animals are the responsibility of
the Member or Associate Members and will be at their expense.

24-HOUR EMERGENCY ROADSIDE ASSISTANCE
You can dial toll-free, 24 hours a day, 365 days a year. We network with more than
30,000 independent specialized RV tow, repair, and service providers who have
the specific heavy-duty gear and the knowledge to take care of any roadside
emergency. One quick call takes care of everything – from towing to changing
a flat tire to emergency fuel delivery and so much more, as provided for in this
brochure.

Note that service providers and facilities referred to Members by either Affinity
Road & Travel Club, LLC (ART) or Americas Road & Travel Club, Inc. (ArtRT)
are independent businesses neither owned, controlled nor operated by ART or ArtRT.
The responsibility for damage, loss, or unsatisfactory workmanship lies solely with
the service providers and facilities providing the service, rather than with ART or
ArtRT. In some instances, Members may find it beneficial to utilize towing services
provided by their vehicle warranty, rather than the motor club services provided
in this program. You must be physically present with your vehicle to obtain any
service.

TOWING SERVICE
Our 24-hour, 365-days-a-year dispatch center is available with one toll-free call.
There are no pre-set mileage limits, however, refer to “Service Limitations” for
important conditions, limits, and exclusions. When you call for service, Good
Sam pays for the delivery of your vehicle to the nearest independent professional
service center capable and willing to repair your vehicle. However, you must
request disablement assistance through our telephone dispatch center within 24
hours of the disablement. If you make any request for your vehicle to be taken to
a location other than the nearest independent professional service center, including
your home, the mileage fee (for the distance in excess of the nearest licensed
repair center) will be at your expense.

If you request to be towed to a location other than the nearest independent
professional service center, as described above, you will not be entitled to any
additional towing services for the same disablement. The mileage fees for any
excess mileage and the fees for additional towing services will be determined and
billed directly by the dispatch center or independent service provider at the time
of the disablement, and all payment of the service center for repair. This additional
mileage fee for additional towing service will be paid by the Member directly to the service provider
or dispatch center.

We will obtain professional tow service appropriate to your specific vehicle using
commercially reasonable and efficient means; if you request enhanced tow service
that incurs an additional charge, you will be responsible for the additional costs.

Subject to the provisions of this brochure, towing services and other roadside
assistance services may also be provided for Membership-owned vehicles
which become disabled as a result of a collision. If, in the event of a collision, any
tow services provided herein shall be considered secondary to your insurance
coverage and any service will be subject to federal and state laws.

Members are eligible for reimbursement for the cost of meals, lodging and car
rental if Member’s vehicle is disabled due to a collision with another vehicle more
than 100 miles from their home. Members will be reimbursed for all eligible
expenses, up to $150 a day for up to 8 consecutive days (up to $1200 total).

limitations of the laws of the State of Maryland.

2 Residents of Maryland are not provided Trip Interruption Benefits described herein due to the
