GOOD SAM PLATINUM AUTO ROADSIDE ASSISTANCE

Your Good Sam Platinum Auto Roadside Assistance membership (hereinafter collectively the "membership") provides all of the services described in this Member Benefit Brochure for the total cost of your annual enrollment. Other than what is specifically provided for in the brochure, there are no additional charges. Your benefits become active 24 hours after approval of your payment.

Unless you elect to automatically renew with your credit card at the end of the term, your membership may be renewed for an additional year upon approval of your membership renewal payment. Membership is continuous if you elect to be automatically renewed with your credit card; if not, you will be invoiced at the then current rate in effect.

The purpose of the Good Sam Platinum Auto program is to provide roadside assistance, in the event of a disablement of any eligible vehicle in the possession of either you or any allowable family member under this program, which is required to enable that vehicle to either proceed safely under its own power, or to be towed to the nearest professional service center for repair. This benefit is not intended to be used in lieu of routine maintenance or needed repairs on your vehicle.

MEMBERSHIP CARD

Please keep your membership card on hand at all times. Your card bears the TOLL-FREE numbers to call when you need roadside assistance. The membership and membership card are issued in the name of the Member. A new card is issued annually with each renewal notice of your membership unless not renewed by either the Motor Club or the Member.

SPOUSE AND CHILDREN PROTECTION

The Good Sam Roadside Assistance benefits described in this brochure are non-transferable and will be provided only to the Member or Associate Member. An Associate Member ("Associate") is the Member's family consisting of the Member's spouse or domestic partner (i.e., one of two adults residing in the same household) and any dependent children no more than 25 years old living in the Member's household or attending college. At our sole discretion, we may charge an additional annual fee for each Associate Member who is included in the membership, or a single additional annual fee that includes all Associate Members in the household as a group.

¹ Residents of Alaska, Alabama, Utah and Virginia will be provided with motor club services from Americas Road & Travel Club, Inc. (AmRT) only. Residents of all other states will be provided with motor club services from Affinity Road & Travel Club, LLC (ART).

² This is not an insurance policy, and does not comply with any financial responsibility law. This is a Member Benefit Brochure for Good Sam Platinum Auto Roadside Assistance, a motor club program offered by Affinity Road & Travel Club, LLC and Americas Road & Travel Club, Inc., which home office for each is located at 64 Inverness Drive East, Englewood, Colorado 80112. The telephone

number for the home office for both is 1-800-523-7541. Unless otherwise specifically stated in this brochure, all roadside services and other motor club services provided under this program are provided by either Affinity Road & Travel Club, LLC or Americas Road & Travel Club, Inc. in the states noted herein. Except as provided for by law to the contrary in the state where you reside, this Member Benefit Brochure is for informational purposes only and is not intended to be any type of contract. For those members residing in Maryland, this Member Benefit Brochure is considered to be a service contract. For only those members residing in the State of Wisconsin, however, this brochure is considered to be a policy used to prescribe in writing the terms of a contract of insurance.

ANIMAL TRANSPORTATION ASSISTANCE

This program will assist the Member and Associate in the arranging for transportation of dogs or cats, when possible, should the vehicle require a tow. All expenses related to the transportation of animals are the responsibility of the Member or Associate and will be at their expense.

24-HOUR EMERGENCY ROADSIDE ASSISTANCE

You can call toll-free, 24 hours a day, 365 days a year. We network with more than 30,000 independent specialized tow, repair, and service providers who have the specific heavy-duty gear and the knowledge to take care of any roadside emergency. One quick call takes care of everything – from towing to changing a flat tire to emergency fuel delivery and so much more, as provided for in this brochure.

TOWING SERVICE

Our 24-hour, 365 days-a-year dispatch center is available with one toll-free call. There are no pre-set mileage or dollar limits. When you call for service, Good Sam pays 100% of the towing fees for the delivery of your vehicle to the nearest independent professional service center capable and willing to repair your vehicle. However, you must request disablement assistance through our telephone dispatch center within 24 hours of the disablement. If you make any request for your vehicle to be taken to a location other than the nearest professional service center, including your home, the mileage fee (for the distance in excess of the nearest licensed repair center) will be at your expense.

If you request to be towed to a location other than the nearest professional service center, as described above, you will not be entitled to any additional towing services for the same disablement. A request for a tow to your home would also require additional payment if that distance exceeds the distance to the nearest professional service center.

The mileage fees for any excess mileage and the fees for additional towing services will be determined and billed directly by the independent service provider at the time of the disablement, and all payment of that additional mileage fee or additional towing service fee will be paid by member directly to the service provider.

Note that service providers and facilities referred to members by either Affinity Road & Travel Club, LLC (ART) or Americas Road & Travel Club, Inc. (AmRT) are independent businesses neither owned, controlled nor operated by ART or AmRT. The responsibility for damage, loss, or unsatisfactory workmanship lies solely with the service providers and facilities providing the service, rather than with ART or AmRT. In some instances, members may find it beneficial to utilize towing services provided by their vehicle warranty, rather than the motor club services provided in this program.

Subject to the provisions of this brochure, towing services and other roadside assistance services are also provided for membership-owned vehicles which become disabled as a result of a collision.

Note: Fees for services that you hire on your own are not reimbursable.

FLAT TIRE SERVICE

A service technician will replace a flat tire with your inflated spare or we'll tow your vehicle to the nearest professional service center. **Note: This benefit does not include seasonal tire changes. Member or Associate is responsible for all parts and labor.**

BATTERY SERVICE

If your vehicle's battery is dead, our service technician will attempt to jump-start your vehicle. When appropriate and at the Member's discretion, if a replacement battery is required we will attempt to locate and install a new battery. The Member is responsible for the retail cost of the battery and all parts and labor charges necessary to install the new battery. If the vehicle cannot be started, towing will be provided (see "Towing Service").

EMERGENCY FUEL AND FLUID SERVICE

If the Member's vehicle runs out of fuel, a limited supply of fuel will be delivered to enable the Member to reach the nearest fueling station (up to 5 gallons). Other essential fluids needed to enable continued safe operation will also be made available, including anti-freeze, transmission fluid, differential and transfer case lubricant. Note: Delivery does not include cost of fuel and fluids delivered.

LOST KEY/LOCK OUT SERVICE

We will pay for a locksmith to come to your location and gain entrance into your vehicle. Member is responsible for payment for all additional labor, as well as all parts, including the cost of replacement keys.
