GOOD SAM PLATINUM+ ROADSIDE ASSISTANCE

The Good Sam Platinum+ Roadside Assistance membership (the "membership") provides all of the services described in this Member Benefit Brochure for the total cost of the annual enrollment. Other than what is specifically provided for in the brochure, there are no additional charges. Benefits become active 24 hours after approval of payment. At the end of the term, the membership may be renewed for an additional year upon approval of the membership renewal payment.

The purpose of Good Sam Platinum+ Roadside Assistance is to provide roadside assistance, in the event of a disablement of any eligible vehicle in the possession of either the Member, Associate Member, or Extended Family Member under this program, which is necessary to enable that vehicle to either proceed safely under its own power, or to tow that vehicle to the nearest professional service center for repair. This benefit is not intended to be used in lieu of routine maintenance or repairs to the Member's vehicle.

MEMBERSHIP CARD

Please keep your membership card on hand at all times. The card bears the TOLL-FREE numbers to call when a Member, Associate Member or Extended Family Member needs roadside assistance. The membership and membership card are issued only in the name of the Member. A new card is issued annually with each renewal notice of the membership unless not renewed by either the Motor Club or the Member. The person named on the membership card is the "Member".

ANIMAL TRANSPORTATION ASSISTANCE

This program will assist the Member and Associate in the arranging for transportation of dogs or cats, when possible, should the vehicle require a tow.

¹ Residents of Alaska, Alabama, Utah and Virginia will be provided with motor club services from Americas Road & Travel Club, Inc. (AmRT) only. Residents of all other states will be provided with motor club services from Affinity Road & Travel Club, LLC (ART).

² This is not an insurance policy, and does not comply with any financial responsibility law. This is a Member Benefit Brochure for Good Sam Platinum+ Roadside Assistance, a motor club program offered by Affinity Road & Travel Club, LLC and Americas Road & Travel Club, Inc. The home office for each is located at 64 Inverness Drive East, Englewood, Colorado 80112. The telephone number for the home office for each is 1-866-298-2929. Unless otherwise specifically stated in this brochure, all roadside services and other motor club services provided under this program are provided by either Affinity Road & Travel Club, LLC or Americas Road & Travel Club, Inc. in the states noted herein.

Except as provided for by law to the contrary in the state where you reside, this Member Benefit Brochure is for informational purposes only and is not intended to be any type of contract. For those Members residing in Maryland, this Member Benefit Brochure is considered to be a service contract. For only those Members residing in the State of Wisconsin, however, this brochure is considered to be a policy used to prescribe in writing the terms of a contract of insurance.

³ The term "Sport Trailer" means a trailer which is being used at the time of the claimed disablement for the purpose of transporting either a boat, ATV/motorcycle, PWC or snowmobile. The term "motorcycle" means a motorcycle registered to the Member and licensed by a state department of motor vehicles.

All expenses related to the transportation of animals are the responsibility of the Member or Associate and will be at their expense.

ASSOCIATE PROTECTION

The benefits described in this brochure are nontransferable and will be provided only to the Member, Associate Member, or Extended Family Member. For purposes of this brochure, an Associate Member ("Associate") is the Member's family consisting of the Member's spouse or domestic partner (i.e., one of two adults residing in the same household) and any dependent children no more than 25 years old living in the Member's household or attending college. At our sole discretion, we may charge an additional annual fee for each Associate Member who is included in the membership, or a single additional annual fee that includes all Associate Members in the household as a group. An "Extended Family Member" is any other person related by family to the Member who is driving the Member's owned vehicle at the time of a disablement. Benefits for Extended Family Members are limited to towing and roadside services, only.

24-HOUR EMERGENCY ROADSIDE ASSISTANCE

Members, Associates and Extended Family Members can call toll-free, 24 hours a day, 365 days a year. We network with more than 30,000 independent specialized RV tow, repair, and service providers who have the specific heavy-duty gear and the knowledge to take care of any roadside emergency. One quick call takes care of everything – from towing to changing a flat tire to emergency fuel delivery and so much more, as provided for in this brochure.

TOWING SERVICE

Our 24-hour, 365-days-a-year dispatch center is available with one toll-free call. There are no pre-set mileage or dollar limits. When a Member, Associate, or Extended Family Member calls for service, Good Sam Platinum+ Roadside Assistance pays 100% of the towing fees for the delivery of the vehicle to the nearest professional service center capable and willing to repair the vehicle OR we'll pay for the towing fees for the delivery of your vehicle to any other destination of choice within 100 miles of the disablement location. However, disablement assistance must be requested through our telephone dispatch center within 24 hours of the disablement. If a Member, Associate or Extended Family Member makes any request for the vehicle to be taken to a location other than the nearest professional service center, the mileage fee (for the distance in excess of 100 miles) will be at the Member's, Associate's or Extended Family Member's expense.

If there is a request to be towed to a location other than the nearest professional service center, as described above, the vehicle will not be entitled to any additional towing services for the same disablement. If a request is made to tow the vehicle home, Member will be required to pay the excess mileage fee if that distance exceeds 100 miles from the disablement location.

The mileage fees for any excess mileage and other fees for additional towing services will be determined and billed directly by the independent service provider at the time of the disablement, and all payment of that additional mileage fee or additional towing service will be paid directly to the service provider by the Member, Associate, or Extended Family Member.

Note that service providers and facilities referred by either Affinity Road & Travel Club, LLC (ART) or Americas Road & Travel Club, Inc. (AmRT) are independent businesses neither owned, controlled nor operated by ART or AmRT. The responsibility for damage, loss, or unsatisfactory workmanship lies solely with the service providers and facilities providing the service, rather than with ART or AmRT. In some instances, Members, Associates, or Extended Family Members may find it beneficial to utilize towing services provided by the vehicle warranty, rather than the motor club services provided in this program.

Subject to the provisions of this brochure, towing services and other roadside assistance services are also provided for Member owned vehicles which become disabled as a result of a collision.

Note: Fees for roadside services that Members, Associate Members and Extended Family Members obtain on their own are not reimbursable.

FLAT TIRE SERVICE

A service technician will replace a flat tire with an eligible vehicle's inflated spare, if possible, or we will tow the vehicle to the nearest professional service center. On occasion and whenever possible, we will make arrangements for the Member or Associate to purchase a tire(s) for delivery to the disablement scene. In these cases Good Sam Platinum+ Roadside Assistance will pay for delivery of the tire only, Member is responsible for all additional costs including cost of tire(s), mounting, balancing, other parts or labor, tax and any other fees. Note: This benefit does not include seasonal tire changes. Member or Associate is responsible for all parts and labor.

BATTERY SERVICE

If the Member's vehicle's battery is dead, our service technician will attempt to jump-start the vehicle. When appropriate, if a replacement battery is required we will attempt to locate and install a new battery. The Member, Associate or Extended Family Member is responsible for the retail cost of the battery and all parts and labor charges necessary to install the new battery. If the vehicle cannot be started, towing will be provided (see "Towing Service").

EMERGENCY FUEL AND FLUID SERVICE

If the Member's vehicle runs out of fuel, a limited supply of fuel will be delivered to enable the Member, Associate or Extended Family Member to reach the nearest

fueling station (up to 5 gallons). Other essential fluids needed to enable continued safe operation will also be made available, including anti-freeze, transmission fluid, differential and transfer case lubricant.

VEHICLE LOCK OUT SERVICE

We will pay for a locksmith to come to your location and gain entrance into your vehicle. Member is responsible for payment for all additional labor, as well as all parts, including the cost of replacement keys.

HOME LOCK OUT SERVICE

We will pay for a locksmith to come to your home and gain entrance into your home. Member is responsible for payment for all additional labor, as well as all parts, including the cost of replacement keys. (Note to Utah residents: Residents of Utah are not entitled to any Home Lockout Benefits described herein.)

PRIORITY ACCESS TO RV TECH HELPLINE

With Good Sam Platinum+ Roadside Assistance, Members and Associate Members are given highest priority when they call one of our RVIA/RVDA and ASE Certified RV Technicians. Get help in solving technical RV problems, from malfunctioning refrigerators, slide-outs or AC units to transmission, fuel or brake problems. Our Certified RV Techs can also help with manufacturer-specific questions about the power train, chassis or carriage of the RV. If we are unable to assist with a technical problem, we will help locate the nearest professional service center capable of repairing the vehicle, and communicate with the potential service center or repair technicians or set up a service appointment. Good Sam Platinum+ Roadside Assistance is not responsible for any damages or negligence on the part of the service center providing the repair services or parts. Member and Associate each acknowledges that the Program instructs and advises that any maintenance or modification to the vehicle should be made by a licensed service provider and not by the Member or Associate. Any technical advice or direction provided by Good Sam Platinum+ Roadside Assistance and its providers are provided without warranty and is provided solely for the purpose of helping the Member determine what kind of licensed service provider should be retained by Member or Associate. If the Member or Associate performs any maintenance or modifications, the Member or Associate does so at their own risk. Call **1-855-324-6963** and provide your Good Sam Platinum+ Roadside Assistance Member ID number.

RV ROADSIDE MECHANICAL REPAIRS

If necessary and whenever possible, depending on the disablement, there may be a local mobile mechanic available that can perform minor repairs or adjustments to the Member's RV. In these situations, we will attempt to assist in arranging for a mobile mechanic to come to the disablement location as an alternative to towing the RV. Member and Associate are responsible for all cost of parts, labor and any additional trip charges/runs for more parts.
