The membership and membership card are issued in the name of the Member. A new card is issued annually with each renewal notice of your membership unless not renewed by either the Motor Club or the Member.

The Good Sam Roadside Assistance benefits described in this brochure are non-transferable and will be provided only to the Member or Associate Member. An Associate Member ("Associate") is the Member's family consisting of the Member's spouse or domestic partner (i.e., one of two adults residing in the same household) and any dependent children no more than 25 years old living in the Member's household or attending college. At our sole discretion, we may charge an additional annual fee for each Associate Member who is included in the membership, or a single additional annual fee that includes all Associate Members in the household as a group.

ANIMAL TRANSPORTATION ASSISTANCE

This program will assist the Member and Associate in the arranging for transportation of dogs or cats, when possible, should the vehicle require a tow. All expenses related to the transportation of animals are the responsibility of the Member or Associate and will be at their expense.

24-HOUR EMERGENCY ROADSIDE ASSISTANCE

You can call toll-free, 24 hours a day, 365 days a year. We network with more than 30,000 independent specialized RV tow, repair, and service providers who have the specific heavy-duty gear and the knowledge to take care of any roadside emergency. One quick call takes care of everything – from towing to changing a flat tire to emergency fuel delivery and so much more, as provided for in this brochure.

TOWING SERVICE

Our 24-hour, 365-days-a-year dispatch center is available with one toll-free call. There are no pre-set mileage or dollar limits. When you call for service, Good Sam Platinum Roadside Assistance pays 100% of the towing fees for the delivery of your vehicle to the nearest professional service center capable and willing to repair your vehicle. However, you must request disablement assistance through our telephone dispatch center within 24 hours of the disablement. If you make any request for your vehicle to be taken to a location other than the nearest professional service center, including your home, the mileage fee (for the distance in excess of the nearest licensed repair center) will be at your expense.

If you request to be towed to a location other than the nearest professional service center, as described above, you will not be entitled to any additional towing services for the same disablement. A request for a tow to your home would also require additional payment if that distance exceeds the distance to the nearest professional service center.

The mileage fees for any excess mileage and the fees for additional towing services will be determined and billed directly by the independent service provider at the time of the disablement, and all payment of that additional mileage fee or additional towing service will be paid by the Member directly to the service provider.

Note that service providers and facilities referred to Members by either Affinity Road & Travel Club, LLC (ART) or Americas Road & Travel Club, Inc. (AmRT) are independent businesses neither owned, controlled nor operated by ART or AmRT. The responsibility for damage, loss, or unsatisfactory workmanship lies solely with the service providers and facilities providing the service, rather than with ART or AmRT. In some instances, Members may find it beneficial to utilize towing services provided by their vehicle warranty, rather than the motor club services provided in this program.

Subject to the provisions of this brochure, towing services and other roadside assistance services are also provided for membership-owned vehicles which become disabled as a result of a collision.

Note: Fees for services that you hire on your own are not reimbursable.

FLAT TIRE SERVICE

A service technician will replace a flat tire with your inflated spare or we'll tow your vehicle to the nearest professional service center. On occasion and whenever possible, we will make arrangements for the Member to purchase a tire(s) for delivery to the disablement scene. In these cases Good Sam Roadside Assistance will pay for delivery of tire only, Member is responsible for all additional costs including cost of tire(s), mounting, balancing, other parts or labor, tax and any other fees. Note: Does not include seasonal tire changes. Member responsible for parts and labor.

BATTERY SERVICE

Member is responsible for the retail cost of the battery and all parts and labor charges necessary to install the new battery. If the vehicle cannot be started, towing will be provided (see "Towing Service").

EMERGENCY FUEL AND FLUID SERVICE

If the Member's vehicle runs out of fuel, a limited supply of fuel will be delivered to enable the Member to reach the nearest fueling station (up to 5 gallons). Good Sam Platinum Roadside Assistance Members will not be charged for the first five gallons of gasoline or diesel. Other essential fluids needed to enable continued safe operation will also be made available, including anti-freeze, transmission fluid, differential and transfer case lubricant.

If we are unable to assist you with your technical problem, we will help you locate the nearest professional service center capable of repairing your vehicle, and communicate with the potential service center or repair technicians or set up a service appointment for you. Good Sam Platinum Roadside Assistance is not responsible for any damages or negligence on the part of the service center providing you with repair services or parts.
